PRESS RELEASE

For Immediate Release

February 18, 2021

In a time where law enforcement is literally under attack from our elected officials, including the radical left who condone and support De-FUNDING the police, Jeffrey Rosario Turco is a true leader of the people and their safety is his #1 concern. In this race for the Massachusetts House of Representatives for the 19th Suffolk District, which was vacated by retirement of House Speaker Robert DeLeo (D-Winthrop), Jeffrey Rosario Turco is the lone wolf in the wilderness with respect to his experience in law enforcement and as a skilled attorney.

Jeff Turco has the experience, the knowledge and the commonsense approach to properly represent those in his childhood home of Revere and his adopted hometown of Winthrop. Jeff Rosario Turco will bring the same vigor and commitment to Beacon Hill that he does, as a former elected and appointed local official, as an attorney in the courtroom, and as a community activist and coach.

Those of us who have negotiated against him on the other side of the table, as well as alongside him in his professional capacity as an appointed representative of the NEPBA/Commonwealth of Massachusetts Health & Welfare Trust; have nothing but the upmost respect for him professionally and personally. More importantly, there is no person more devoted to his faith, more dedicated to his wife, adored by his children or admired by his friends than Jeffrey Rosario Turco.

Therefore, as a result of his pro-police stance, as well as a former law enforcement professional, the Executive Committee of the New England PBA enthusiastically supports and endorses the candidacy of Jeffrey Rosario Turco for State Representative for the 19th Suffolk District, which includes the City of Revere and the Town of Winthrop.

Respectfully,

Christopher S. Ryan
